NORTHERN CALIFORNIA SECTION

Northern California PGA Associate Club Handicap Program

Establishing a Handicap Index through the NCPGA is simple, and a terrific way to record and measure your playing progress. Handicaps may also be required to compete in chapter, charity or other tournaments and golf events. Through the NCPGA's partnership with the Northern California Golf Association (NCGA), we are able to establish your GHIN number and Handicap Index at no cost. Here is what you have to do:

Establishing an NCPGA Club Handicap Index

Step 1) Sign up by completing the form at the bottom of the page and mail/fax it to the section office

Step 2) You will be notified by the section office of your new GHIN number, and you can begin posting scores

Step 3) Post five 18-hole rounds, 10 9-hole rounds, or a combination of the two

Step 4) The first of the month after your fifth score is posted, your handicap index will be established

Please Note: If you compete in section tournaments, your scores from these events will be automatically posted toward your GHIN number for your convenience.

**Adding the NCPGA
or
Re-activation of a Lapsed GHIN Number**

✓ Complete and submit the form below with your GHIN number
