Training on Range\*\* - **12:30pm - 2:30pm**  
Wrap Up - **2:30pm - 3:00pm**

*\*\*VA clinic staff will help identify local Veterans to join us at 1:30pm where coaches will attain hands-on experience applying adaptive golf techniques.*

The purpose of the seminar is to train Instructors for the PGA HOPE Northern California program. This class provides a comfortable experience and required training for PGA Professionals participating in PGA HOPE, PGA REACH's flagship military golf program. This one-day educational workshop brings golf Professionals and VA therapists together, to explore the skills of teaching "adaptive golf" to veterans with physical/cognitive challenges. Learn how golf is utilized as a vital element in the rehabilitation/recovery process.
