## To All Senior Division Players:

The SR. POY Points system was last revised many years ago. The Points Committee set out to address the inequities in our current point system that is based on a set number of points. A system that only decreases point distribution as the field gets smaller. A system that does not increase point distribution as the field gets larger. The Objective of the Committee was to: 1. Develop a point system that increases \& decreases based on the size of the field. 2. Develop point spreads that are more equitable for the winner and the top finishers. The 2021 system has very little separation between all the finishers after second place- only one point. 3. Develop a system for the majors that provides a more equitable balance of points between these events.

## SENIOR \& SUPER SENIOR - PLAYER OF THE YEAR POINTS

## Point Distribution Charts

## (A chart is developed for each event based on the actual number of players competing)

## Pro Series Events

 The number of points distributed is determined by the size of the field. Points are awarded to approx. 70\% of the players in the field. Our Purse structure allows for a minimum of 3 players for any flight to exist within a Pro-Series event. With a minimum of 3 players, !st place would get 2 points and 2 nd would get 1 Point. With more than 3 players, 2 points are added to first place for each additional player in the field. All finish positions are increased by at least 1 point for each player added to the field.| 8 Player Field |  | Sample Pro Series Charts |  |  |  |

Stroke Play: The number of points distributed is determined by the size of the field. Points awarded to all players in the field. The Winner gets 200 points plus an additional point for the total number of other players beaten in the competition. The rest of the field gets a point for everyone they have beaten. The System allows for approx. 3 times the points of a Pro Series Event.

Match Play, Senior Nor Cal Open, Sr PNC \& Senior PGA:_The number of points distributed is determined by the size of the field. Points awarded to all players in the field. The Match Play is 2.5 times the points of a Pro Series Event. The NorCal Open is approx. 1.5 times the points of a Pro Series Event.
